

"We needed assistance during a time of flood and blizzard conditions both here in Fargo and in Bismarck, yet you were there for us. I can't word this strong enough on how much the attentiveness of ITD staff is appreciated. They did not let us down.

We know we can count on responsiveness during routine requests as well as more importantly times of emergencies. Conditions changed constantly and ITD went with the flow being supportive both personally and professionally. Thank you ITD."

Southeast Human Service Center
Fargo

"Always extremely satisfied when working with everyone there. Everyone is courteous, helpful and nice to work with. Keep up the good work!!."

WCHSC
Bismarck

"great job of explaining my video-conferencing options and demonstrating the "Click to Meet" service. I certainly appreciated your time."

Information Technology Dept.
Bismarck

"Always courteous and prompt. Thank you."

North Central Human Service Center
Minot

"The problem was fixed MUCH faster than anticipated. The first tech I talked to knew what to ask and helped A LOT! Thanks"
